

Hi (Name),

I'm rallying my friends and family in support of a cause very close to my heart - Type 1 diabetes. Beyond Type 1 has had an impact on my life, and I hope you'll join me in giving back through my fundraising page ([LINK](#)).

(ADD: Brief Personal Story or use)

Life with Type 1 diabetes is a full-time balancing act requiring constant attention to avoid life-threatening low blood sugars or the long-term damage done by high blood sugars. On top of carefully calculated insulin doses, meals, exercise, sleep -- Type 1 diabetes can be a lonely, isolating, and invisible illness. That's why I'm raising money for Beyond Type 1.

Beyond Type 1 is a nonprofit organization changing what it means to live with diabetes by uniting the global diabetes community and providing solutions to improve lives today. (ADD: how have you been impacted by Beyond Type 1? A specific program or campaign?)

I have a goal of raising (X dollars), and I need your help to get there! Everything I love about Beyond Type 1 – the programs championing advocacy, education, and a cure for Type 1 diabetes – are only possible because of donations from the community and support from people like you! Visit my fundraising page ([LINK](#)) and help me meet my goal! Thanks for joining in and supporting my efforts.

Thank you!

Sincerely/ Thanks/ Best,
